Committee Reports

CAPSA - Grace Wang

On Mon., Jan. 28 CAPSA members hosted a lunch for staff out of the staff lounge. Tried to bring treats in for all students but learned those couldn't be handed out at lunchtime; had to wait until after school ended. Teachers and staff were very grateful for the delicious meal.

After-Prom - Caroline Bodziak & Laura Munns

The After-Prom Committee met Feb. 6. Cindy Carrico joined the team to help with Social Media. Ticket sales will be mostly online, starting April 1 to correspond with Prom ticket sales. Using TicketLeap to manage online sales. Early bird tickets will be April 1-14 for \$10, regular ticket prices April 15 forward are \$12. Food vendors pretty much same as last year, still considering new additions. Prizes may be streamlined to be mostly electronics and gift cards - fewer gift baskets. Website content is live! First tuxedo measurement day successful - 26 students measured. Second day of measuring is March 18.

Working on dates for Hanging and take down in order to build schedule around that. Sale will be in March with banners hung in April sometime probably after spring break. Working on setting up square account and making sure all is the same with the sign/banner vendor this year.

Staff Appreciation - Sandi Miller

On February 7, the staff appreciation committee distributed tissues and hand sanitizers to each staff member and personally thanked them for their hard work. All staff members were given a card that said "Spread love, not germs. Thanks for all you do. We appreciate you." On Valentine's day, we provide a bowl full of pink and red Hershey kisses in the staff workroom. The bowl will say, "Teachers who LOVE teaching teach children to LOVE learning." We also donated 50 "free meal" cards from local restaurants to Dr. Miller to use at her staff meetings to encourage the teachers (either a raffle or caught you being kind). The meals were donated from McDonalds, Mission BBQ, and Chick-fil-A. Dr. Miller will pass these out throughout the rest of the school year. Teachers will know that these are from the PTSA.

Membership cards and directories were distributed in January through students' third period teachers.
